## *Central Valley Light* - Juried Photography Exhibition June 5-29, 2025

We invite photographers to submit photos capturing Central Valley Light. This exhibition explores the unique and ever-changing light of California's Central Valley. From the golden glow of dawn across open fields to the neon hues of city nights, this exhibit celebrates how light shapes the landscapes, people, and stories of the region.

### Rules & Guidelines:

- Open to photographers of all levels.
- Images must highlight California's Central Valley and its distinctive light.
- Up to eight entries per photographer.
- Must be a Central Valley resident.
- Incomplete submissions missing any information will not be considered.
- The photograph(s) must have been taken in the 2024 or 2025 calendar years.
- Must be the original work of the photographer. **AI generated content is not allowed. Including digital composites.**
- Digital collage/composite is allowed. All elements used must be the photographer's own images.
- All communication will be through the email address provided.
- Any photograph displaying any inappropriate content will be disqualified.
